

Class of 2021

Hello seniors of Eastpointe High School! For those of you that do not know me, I am Stephanie VanHaerents, the Activities Director and Senior Class Adviser at EHS. If you were at EHS in the spring, I am sorry you did not have the end of school year you were expecting as juniors.

There is a lot of uncertainty with the 2020/2021 school year. I would love to be able to tell you everything will be “normal”. We know that isn’t the case for your senior year. But please know that I and the staff at EHS will do everything possible to give you the senior year you have earned and deserve.

The information in this packet is what you need to know for your senior year.

Please approach this school year with an open mind and please be willing to share your ideas with your class officers and myself. I plan to hold class meetings, whether in person or virtually. It is important that you participate. Please always check your school email and join the Class of 2021 remind text message list. Remind will be the best source of updates about senior activities. Directions for joining are in this packet.

I look forward to working with you for your senior year. We will get through this together and come Spring 2021, you will be graduates of Eastpointe High!

Remember, Once a Shamrock, Always a winner!
